

MEMOLA Project Final Conference: Lessons Learned from Building New Approaches to Study
Mediterranean Mountainous Landscapes.

Day 1. November 6th, 2017

Facultad de Filosofía y Letras. Campus Cartuja.

MORNING SESSION. ROOM Federico García Lorca

09:00-09:30. **Welcome talk.** Enrique Herrera Viedma. Vice-Rector of Research and Knowledge Transfer & María José Martín Bautista, Directora de Proyectos Internacionales.

09:30-10:00. José M^a Martín Civantos (UGR): **MEMOLA project. Erasing borders to build new scientific, social and environmental approaches.**

Land Uses and Agrodiversity.

10:00-10:15. Giuseppe Bazan, Giuseppe Baiamonte, Giuseppe Lo Papa, M^a Teresa Bonet García, Rocco Corselli, José M^a Martín Civantos (UNIPA, ARQUEO, UGR): **The interdisciplinary approach to analyzing Traditional agrosystems trajectories in the Memola FP7 Project.**

10:15-10:30. Leonor Peña Chocarro, Guillem Pérez Jordá, Giuseppe Bazan, Rocco Corselli (CSIC, UNIPA, USHEFF, ARQUEO): **Agrodiversity, local varieties and traditional ecological knowledge.**

10:30-10:45. Gian Pietro Brogiolo, Elías Fereres Castiel, Margarita García Vila y Julia Sarabia-Bautista (UNIPD, UCO): **Comparative analysis of historical and current land uses in the Euganean Hills: the case of Praglia Abbey (Padova, Italy).**

10:45-11:00. Giuseppe Bazan, Sandrine Paradise (UNIPA, UNIPD): **Woodlands dynamics on the euganean Hills. Inventory of past and actual composition and management of forests (Padova, Italy).**

11:00-11:15. Elías Fereres Castiel, Margarita García Vila, Rocco Corselli, (UCO, ARQUEO, UNIPA): **Soil analysis and ethnography in Monti di Trapani (Italy).**

11:15-11:30. **Q&A**

11:30-12:00. COFFEE BREAK. Meeting Room at Edificio Musicología.

Water Uses and Historical Irrigation Systems.

12:00-12:15. Eglantina Serjani, Ardit Miti, José M^a Martín Civantos (CERPHAAL, UGR): **Traditional irrigation systems and land uses in the Upper Vjosa Valley, Albania.**

12:15-12:30. Rocco Corselli, Teresa Bonet García, José M^a Martín Civantos (ARQUEO, USHEFF, UGR): **Irrigation and water uses in Monti di Trapani (Italy).**

12:30-12:45. M^a José Polo Gómez, Javier Herrero Lantarón, Crisanto Martínez Montañés (UCO, UGR, IGME): **Human impact in Sierra Nevada hidrology and hidrogeology.**

12:45-13:00. José M^a Martín Civantos, M^a Teresa Bonet García, Pablo Romero Pellitero, José Francisco Ruiz Ruiz (UGR, ARQUEO): **Historical Irrigation Systems of Sierra Nevada.**

MEMOLA Recommendations to Protect BioCultural Heritage.

13:00-13:15. José Francisco Ruiz Ruiz, José M^a Martín Civantos (UGR): **Rural communities and communal water uses: Resilience, empowerment and defence.**

13:15-13:30. José M^a Martín Civantos, Elías Fereres Castiel, Margarita García Vila, Giuseppe Lo Papa, Roger Doonan, Giuseppe Bazan (UGR, UCO, UNIPA, USHEFF): **Policy recommendation for water uses, soil and agrobiodiversity preservation.**

13:30-13:45. Lara Delgado Anés, Eglantina Serjani, Alexandra Chavarría Arnau, Julia Sarabia, Rocco Corselli (UGR, CeRPHAAL, UNIPD, USHEFF, ARQUEO): **Sowing seeds for future: educative resources and experiences.**

13:45-14:00 Q &A

14:00-16:00 LUNCH. Cafetería Facultad Filosofía y Letras.

AFTERNOON SESSION. ROOM José Palanco **Archaeological Findings**

16:00-16:15. Ardit Miti, Eglantina Serjani, Roger Doonan, Leonor Peña Chocarro, Guillem Pérez Jordá (CERPHAAL, USHEFF, CSIC): **The excavation of Margeritça (Përmet, Albania).**

16:15-16:30. Teresa Bonet García, Rocco Corselli, Roger Doonan, Leonor Peña Chocarro, Guillem Pérez Jordá, Ana Ruiz Jiménez, José M^a Martín Civantos (ARQUEO, CSIC, USHEFF, UGR): **Pizzo Monaco. An Islamic fortified granary in Sicily (Italy).**

16:30-16:45. José M^a Martín Civantos, M^a Teresa Bonet, Pablo Romero Pellitero, Julio Román Punzón, Jorge Rouco Collazo (UGR, ARQUEO): **The excavation of Pago del Jarafí (Lanteira, Granada, Spain).**

MEMOLA Community Involvement and Communication.

16:45-17:00. Maurizio Toscano, Lara Delgado Anés, M^a Pilar Tudela Vázquez (EACHTRA, UNESCO-AND, UGR,): **Communicating and disseminating the MEMOLA project.**

17:00-17:15. Lara Delgado Anés, Ángel Bañuelos Arroyo, José M^a Martín Civantos (UGR, UNESCO-AND): **Participative approaches in cultural landscapes in Sierra Nevada (Granada, Spain).**

17:15-17:30. Eglantina Serjani, Ardit Miti (CERPHAAL): **Participative approaches in cultural landscapes. Vjosa Valley (Përmet, Albania).**

17:30-17:45. Alexandra Chavarría Arnau (UNIPD): **Participatory research on historical landscapes in the Euganean Hills: recent and future developments (Padova, Italy).**

17:45-18:00. Elías Fereres Castiel, Gian Pietro Brogiolo (UCO, UNIPD): **Conclusions: Learning from the past to build our future.**

18:00-18:30 Q&A

MEMOLA Project Final Conference: Lessons Learned from Building New Approaches to Study
Mediterranean Mountainous Landscapes.

Day 2. November 7th, 2017
Centro de Transferencias Tecnológicas.
Gran Vía de Colón 48

MORNING SESSION. Conference **ROOM. 6th Floor.**

09:30-11:00. MEMOLA Deliverables. Reviewing Pending Deliverables. Discuss plan to successfully close project. Develop Chronogram.

11:00 COFFEE BREAK

11:30-13:00. MEMOLA Project Evaluation.

13:00- LUNCH

14:00/ 15:00. H2020 and Future funding opportunities to continue de work. Zoltan Krasznai. EU policy and project officer at DG Research and Innovation (“Reflective Societies”).

FIELD TRIP

16:00-17:00. TRIP to LANTEIRA.

17:00-18:30. Visit Pago del Jarafí. Archaeological Excavation.

21:00. Dinner at Posada El Altozano

22:00. MEMOLA Celebration!!

Day 3. November 7th, 2017
Lanteira-Lugros

We will visit the high mountain irrigation channels of Dehesa del Camarate (Acequias de Careo). A unique mountainous landscape located at the Natural Park of Sierra Nevada. La Dehesa del Camarate is one of the botanical treasures of Sierra Nevada. It is the best and most complete mixed forest of Granada and much of Andalusia. At this time of year, autumn, this high variety of trees, Pyrenean oaks, dogwoods, trees, maples, hawthorns, oaks, maguillos, ash, willow, barberry have a high variety of red, orange, yellow, ochre and green, which makes it is also called the Enchanted Forest.

La Bodega de Martin will host us to keep celebrating with a main meal made of local and traditional dishes and wine.

We will drive back to Granada city in the evening.
